

# Public Limited Company Registration

## What is a Public Limited Company?

A public limited company is a joint stock company. It is governed under the provisions of the Indian Companies Act, 2013. While there is no limit on the number of members, it is formed by the association of persons voluntarily with a minimum paid up capital of 5 lakh rupees.

Minimum three Directors, seven shareholders and a registered office are required to incorporate a Public Limited Company in India.

Public Limited Company can raise immense capital as there is no maximum limit on the quantity of investors that an open restricted organization can have. Shares of a company are freely and easily transferable providing more liquidity to its shareholders.

## Documents Required

- Identity Proof of all the directors and shareholders.
- Address Proof of all the directors and the shareholders.
- PAN Card of all the directors and shareholders.
- Utility Bill of the office that you have proposed as your Registered office for your Public Limited Company.

## How to get Public Limited Company Registration?

The Public Limited Company application is an extensive process subject to strict adherence to complete and accurate paperwork and procedure. An error in paperwork is likely to delay the process by several weeks or even months leading to loss of time and money. Hiring an

experienced Public Limited Company Registration consultant can help you save time and efforts and get Public Limited Company Registration without a hassle in stipulated time period.
