Sole Proprietorship Business Registration

What is Sole Proprietorship Business?

Sole Proprietorship – One of the most common structures of business in India. According to GOI, Sole Proprietorship is a single person establishment where the individual manages and controls their business on their own. Sole proprietorships are attractive to small investors because they are relatively easy to start up.

Benefits of Sole Proprietorship Registration?

One of the functional advantages of sole proprietorships is that they are easier to set up than other business entities. A person becomes a sole proprietor simply by running a business. Another functional advantage of a sole proprietorship is that the owner maintains 100% **control** and ownership of the business.

Documents Required for Sole Proprietorship?

To register a sole Proprietorship, the following documents are required: Aadhar Card. PAN Card. Bank Account. Registered office proof.

How to get Sole Proprietorship Business Registration?

The Sole Proprietorship Business Registration application is an extensive process subject to strict adherence to complete and accurate paperwork and procedure. An error in paperwork is likely to delay the process by several weeks or even months leading to loss of time and money.

Hiring an experienced Sole Proprietorship Consultant can help you save time and efforts and get Sole Proprietorship Business Registration without a hassle in stipulated time period.
